Rochester Country Club, Brighton—First round in men's open golf championship, all day.

DAKE HAS QUALIFIED FOR THE SEMI-FINALS

Defeated F. E. Brewster In Only Match
Played in Second Round of the Roch-
ester Country Club Tournament.

Though there still remains one match unplayed in the men's open golf championship of the Rochester Country Club, W. W. Dake and F. E. Brewster played their match in the second round yesterday. Mr. Dake won 3 up and 1 to play, and will therefore be one of the contestants in the semi-finals, which will be played to-morrow.

The drawings for the other matches in the second round have not been made, on account of the first-round match between Brewster Lee and Percy R. McPhall not being played. The results of the other matches in the first round follow:

W. W. Dake beat B. C. Little 4 up and 3 to play.

F. E. Brewster beat W. J. Curtis 4 up and 3 to play.

F. P. Allen beat W. E. Dugan 2 up.

F. Will, Jr., beat J. B. Palmer 2 up and 1 to play.

G. A. Carnahan beat F. Will, Sr., 4 up and 3 to play.

OST ONLY THREE HOLES

ochester Country Club Profes-
sional Outdove and Outputted
Tom Chisholm, of the Oak Hills,
Winning by Twelve Holes

Willie Smith clearly demonstrated his superiority as a golf player over Tom Chisholm in the second of their home and home matches at the Rochester Country Club, in Brighton, yesterday afternoon. Those who saw the match between them at the Oak Hill Country Club on the Saturday preceding, when Smith won by eighteen holes, anticipated that Chisholm would make a better showing against Smith when next they met, and he did. Nevertheless the Oak Hill professional was beaten yesterday by twelve holes. And, as in the previous match, his defeat was chiefly due to his weak putting, though Smith usually outdrove him from the tee by a big margin.

The weather conditions were not favorable for good golf, and Chisholm's supporters argue that with a dry sward instead of the wet course that has been experienced in both the matches played, the Oak Hill man would have been able to make a far better showing against Smith. It is one of the probabilities that if the two men remain in this city another year there will be a match between them next summer.

Tom Chisholm has shown an

next summer.

In both matches Chisholm has shown an evident lack of practice; indeed, he was very much off form. Smith was not quite up to the form he showed a week ago, but he played excellent golf. In his first round of the course, which is of eighteen holes, the former national champion equaled the amateur course record of sixty-nine, though he has done it in sixty-four. In the second round Smith experienced considerable ill luck with his drives and five times during the round he sent the ball into the bunker. On one occasion he was compelled to concede the hole to his opponent.

A drizzling rain fell nearly all the afternoon, but heedless of the miserable weather provided by the local bureau prophet, a good-sized gallery followed the play, a goodly number of them being ladies, who were amply protected by their rain coats. The match was delayed for a time in the vain hope that the unfavorable conditions would change for the better.

Smith and Chisholm halved the first two holes, but a short drive and a poor put after he had got his ball on the green lost the Oak Hill man the third hole by two strokes. Smith won the fourth hole with a bogey four, but he drove into the bunker for the fifth and Chisholm maintained his advantage on the green, winning the hole by a stroke. Poor putting was responsible for Chisholm's loss of the sixth hole, but he halved the next in five. Smith's four gave him the eighth hole, but the ninth was halved, and at this stage the Rochester Country Club professional was three holes up.

A pretty drive from the tee, a well calculated brassie shot and an accurate put gave Smith the tenth hole in three. Chisholm played poor golf at the eleventh and lost it 6 to 4. Fine putting gave Smith the next two holes, but a miscalculated put lost him the fifteenth.

In the play for the sixteenth hole Smith made the prettiest exhibition of the afternoon. He drove the ball from the tee and sailed across the road and landed on the green. He made a twenty-foot putt and the ball dropped into the cup, giving him the hole in two. The seventeenth hole was halved and Chisholm should have won the eighteenth, but his two short putts on the green were very poor. Smith would have made the hole in two but for a bad location on the green, the ball stopping on the edge of the cup. He won the hole by one stroke, thus making him lead up at the completion of the first round. His sixty-nine for the course equalled the amateur record.

Chisholm played much better golf in the second round. The first hole was halved, although Smith drove into the bunker, but managed to halve the second. The third, too, was halved. Both drove into the bunker on the fourth, but Smith's position was such that he lost two strokes in getting out. The second was a high hit and the ball dropped a hundred yards from the green on the other side. He conceded the hole to Chisholm.

Smith's three gave him the fifth hole and the sixth was halved. Smith drove into the bunker on the seventh, but a pretty stroke with the niblick put him on the green and poor approaching and putting by Chisholm permitting him to halve the hole a six. Chisholm surprised everyone by outdriving Smith from the tee on the eighth, but by excellent putting the home man halved it. Smith drove into the bunker on the ninth but by a pretty loft he dropped it onto the green within six feet of the hole, which won with a four. A poor put cost Chisholm this hole.

The tenth hole was halved and the eleventh seemed certain to go to Smith on his fourth stroke, as he was close to the hole, while Chisholm was over fifty feet away. The latter, however, made his most accurate put of the afternoon and halved the hole. Again Chisholm outdrove Smith, who went into the bunker, but the twelfth was halved. For the thirteenth hole Smith drove 230 yards and landed on the green. His put stopped two inches from the hole, which he won with a three. Another fine drive from the tee gave him the fourteenth in three.

Smith and Chisholm kept apace of each other for the next three holes, all of which were halved. Smith drove into the dirt back of the home hole and he made a pretty approach back to the green. An unfortunate location prevented him from making the hole on his first put and he had to be satisfied to halve the hole with his opponent.

A summary of the results shows that Smith won fifteen holes, Chisholm captured three and eighteen were halved. The cards of the respective players follow:

GOLF.

Rochester golfers had the banner year in athletics although there were no great successes in the way of records. Interest in the game almost doubled during the playing season and large fields entered for the several club championships. The destruction by fire of the club house of the

Country Club was a great set-back to the members of that exclusive organization who desired to keep up practice late in the fall. Among the players H. V. McKitt-
rick was perhaps the most successful of the year. Owing to his extreme youth he was not considered a factor in local circles at the beginning of the year but by the most careful development his game was brought to the top of the honor list. At the Oak Hill Country Club the honors of the year were won by Dr. McDowell.

MAY APPEAL AGAIN.

Attorney M'Guire May Carry Woodworth Case to the Court of Appeals.

It seems probable that Horace McGuire, counsel for Harry S. Woodworth, who was fined \$50 for violating the laws regulating the speed of automobiles, will carry the case to the Court of Appeals. The decision of the Justice's court was recently sustained by the Appellate Division of the Supreme Court.

It has often been found impossible to carry such cases higher than the Appellate Division, but Mr. McGuire believes that the questions involved in this one are of a nature serious enough to warrant it.

Mr. Woodworth was convicted originally by Justice of the Peace Downs, of Brighton. A rural mail carrier charged that his horse had been frightened by the defendant's automobile. The case was really prosecuted, however, by the Country Club of Rochester. It was claimed by the defendant that it was impossible for his machine to run at a greater speed than nineteen miles an hour when the lever was placed as it was at the time the plaintiff's horse was alleged to have been frightened. The speed limit is twenty miles an hour.

The case has been appealed to the County Court and the Appellate Division. Mr. McGuire urges that the statute under which Woodworth was convicted is unconstitutional and void, since it infringes unwarrantably on personal rights granted in previous statutes and discriminates against citizens of incorporated villages. He argues that in these villages the rate of speed is limited to eight miles an hour while in unincorporated villages a speed of twenty miles an hour is permitted, although the unincorporated village may, and often is, larger than the incorporated.

COUNTRY CLUB TO STAY.

Grounds on East Avenue Road to be Retained and Clubhouse Built.

The Country Club has decided to retain the old grounds on the East avenue road, in Brighton, and work on the building which is to replace the burned structure will be begun as soon as the lease is signed. The work will be carried forward as rapidly as the weather will permit.

Many sites have been inspected by a committee of the club, but none is as desirable in all respects as the old. The old site is considered by many to be the best in the state and a large majority of the members favored its retention.

CENTRAL NEW YORK GOLF LEAGUE PLANS

INVITATION OF WATERTOWN CLUB
TO HOLD ANNUAL TOURNAMENT
ON ITS LINKS ACCEPTED.

The Central New York Golf League at its annual meeting in the Yates Hotel in Syracuse unanimously accepted the invitation of the Jefferson County Golf Club of Watertown to hold the league's seventh annual tournament on the Watertown Club's course, September 9, 10, 11 and 12. The invitation was extended by Edward S. Goodale, the Watertown representative at the meeting.

The other representatives present were: G. Hyde Clarke of the Otsego Golf Club of Springfield, Foster Pruyn of the Albany Country Club of Albany, W. I. Booth of the Elmira Country Club of Elmira, Hendrick S. Holden of the Onondaga Golf and Country Club of Syracuse, J. Scoops, Scofield of the Sadaquada Golf Club of Utica, Theodore Pomeroy, jr., of the Owasco Country Club of Auburn.

President John D. Teller, of Auburn, conducted the meeting with Secretary and Treasurer Fred R. Pechl.

The Country Club of Rochester resigned from the league and the Broome County Country Club of Binghamton was elected to fill the vacancy.

The annual election of officers resulted in the choice of John D. Teller as president for another term and Dr. M. L. Smith of Watertown secretary and treasurer.

The Onondaga Golf and Country Club entertained the visitors at a banquet at the Yates.

GOLF ON BRIGHTON LINKS.

First Round in Men's Open Championship at Rochester Country Club To-day.

The first round of the men's open championship of the Rochester Country Club begins to-day on the club links in Brighton. The play in this round will be concluded to-morrow and the second round will begin on Wednesday. The finals will be reached on Saturday.

The Rochester Country Club has some excellent golfers, as was evidenced by the low scores made in the qualifying round on Saturday, though the weather conditions worked against the players exhibiting their best skill.

Those having the sixteen low scores qualified for the first round, the drawings for which follow:

W. W. Dake to play B. C. Little.
W. J. Curtis to play S. E. Brewster.
Brewster Lee to play P. R. McPhall.
W. E. Dugan to play F. P. Allen.
F. B. Palmer to play F. Will, Jr.
F. Will, Sr., to play G. A. Carnahan.
J. P. Bowman to play W. W. Powers.
H. K. Elston to play Josiah Anstice.

The play-off match in the tie in the woman's handicap between Mrs. Ogden Backus and Miss Henrietta Allen will be played either to-day or to-morrow. The match between Miss Elizabeth Averell and Mrs. Backus in the finals of the open championship will probably be played to-morrow.

GOSSIP OF THE LOCAL GOLFERS

DR. ENGERT CHAMPION OF
OAK HILL C. C.

MATCH OF TWENTY HOLES

*J. Harvey Pierce Gave Winner Fine
Battle—Miss Averell and Mrs.
Backus to Play for Woman's
Championship at Country Club*

One of the prettiest matches ever witnessed on the Oak Hill Country Club golf links was that between Dr. G. A. Engert and J. Harvey Pierce in the finals for the open championship of the club. A large gallery followed the play, and as the one and the other of the players alternated in the lead, the interest of the lookers-on was held throughout. The match went twenty holes, so close was the play, before Dr. Engert became victorious by a score of one hole up.

The first round for the Subscription cup was played during the past week on the Oak Hill links, as was also the second round in the competition for the Consolation cup. The cards for the second round of the former and semi-finals of the latter must be handed in on or before Friday evening of next week. Following are the results of the play in the first round for the Subscription cup:

Hartfelder vs. Johnson.
F. Kelly vs. Grant.
Clements vs. Robeson.
Crittenden vs. Likly.

These pairings have been made in the semi-finals for the Consolation cup:

Herbert McAlpin vs. E. F. Ingersoll.
John Kavanaugh vs. Butler Crittenden.

The semi-finals in the women's open championship were played at the Rochester Country Club yesterday afternoon. Miss Elizabeth Averell was victorious over Miss Henrietta Allen 4 up and 3 to play. In the second match Mrs. Ogden Backus defeated Mrs. Dr. Mulligan 5 up and 4 to go. The finals between Miss Averell and Mrs. Dr. Backus for the woman's championship of the club will be played over the course next week Monday or Tuesday.

Miss Henrietta Allen and Mrs. Ogden Backus were tied for first honors in the women's fall handicap, and this will be played off this afternoon.

The qualifying round in the men's championship for the possession of the Tamerac cup begins to-day on the club links. It is anticipated that there will be fully forty entries in this event, in which much interest is evidenced by the members of the Rochester Country Club.

The home and home match between the two local professional golf experts, Willie Smith, of the Rochester Country Club, and Tom Christholm, of the Oak Hill Country Club, begins to-day on the links of the latter club at 12:30 o'clock noon. Thirty-six holes will constitute the first of a series of the best two out of three matches.

FIRST ROUND FINISHED.

J. P. Bowman Beat W. W. Powers and P. R. McPhail Defaulted to Brewster Lee.

There were no matches played in the second round of the men's open golf championship at the Rochester Country Club yesterday. The first round has been completed with J. P. Bowman's victory over W. W. Powers and P. R. McPhail's default to Brewster Lee.

It had been arranged that the finals in the men's open championship should be reached by to-morrow, but as the second round has not been finished they will probably go over into next week.

The women's fall handicap resulted in a tie between Mrs. Ogden Backus and Miss Henrietta Allen. This has been played off with a victory for Mrs. Dr. Backus by one hole up.

The second of the series of home and home matches between Willie Smith, of the Rochester Country Club professional, and Tom Chrisholm, the professional of the Oak Hill Country Club, will be played over the Rochester Country Club links to-morrow afternoon. Smith beat Chrisholm last Saturday on the Oak Hill course, 18 up, in thirty-six holes.

HOME AND HOME MATCH.

Willie Smith and Tom Chrisholm Play at Rochester Country Club To-night.

Willie Smith, the Rochester Country Club professional, and the former open national champion of the United States, and Tom Chrisholm, the professional expert of the Oak Hill Country Club, will play the second of their series of the best two out of three home and home thirty-six hole matches over the courses of the Rochester Country Club, in Brighton, this afternoon, beginning at 12:30 o'clock. In last Saturday's match in the Oak Hill links Smith played superb golf and was victorious over his opponent by eighteen holes.

Chrisholm was on that day in poor form and possibly the disagreeable weather conditions that prevailed had much to do with it. He has been practicing assiduously all the week for to-day's match and confidently expects to even up with Smith. If the day is pleasant a large gallery will undoubtedly follow the players over the links.

Play in the second round of the men's open championship has not yet been concluded and the semi-finals and finals will go over until next week.

GOLF SEASON TO WIND UP TO-DAY

FALL HANDICAP AT ROCHESTER COUNTRY CLUB.

BETWEEN BOWMAN AND DAKE

Rest Finals in the Open Championship—Finals in Two Cup Events Will be Played on the Oak Hill Links—Golf News and Gossip

The local golf season of 1903 will virtually end to-day with matches which will be decided on the respective links of the Rochester Country Club, in Brighton, and the Oak Hill Country Club, on the Wolcott road, near Elmwood avenue.

The event in which the members of the Rochester Country Club take the most interest is the annual fall handicap, for which there is invariably a larger entry than in any other of the season's contests. This fall handicap begins to-day and the winner will secure possession of the Erickson Perkins cup, one of the most prized of the numberless cups and trophies offered by this club every year. It is expected that fully forty members will participate in this event.

The second match in the semi-finals for the open championship of the Rochester Country Club was decided on Thursday, when J. P. Bowman defeated George A. Carnahan 9 up and 8 to play. W. W. Dake had earlier in the week won from Brewster Lee 8 up and 7 to play.

The finals between Messrs. Bowman and Dake will be played this afternoon on the club links. Both are expert golfers and, if the conditions are not unfavorable, it is very possible that in this afternoon's match the amateur record for the course may be reduced. The same possibility maintains as regards the fall handicap.

There will be two matches on the Oak Hill links this afternoon, the finals for the Subscription cup and the finals for the Armstrong consolation cup. During the week the semi-finals for the Subscription cup were played, with the following result:

Butler Crittenden beat John Hartfelder 1 up.

Frank Kelly beat George Robeson 3 up.

The finals between Messrs. Crittenden and Kelly will be played at 2:30 o'clock this afternoon. At 3 o'clock the finals for the Armstrong consolation cup, which have been held open for some time, will be played between Dr. W. E. Dake and John Hartfelder.

During the week the club consolation was won by E. S. Ingersoll, who beat Butler Crittenden 2 up. Both are youths under 16 years of age. Ingersoll was awarded the prize cup and Crittenden received a trophy as runner-up.

SECURED CUP HE DONATED

*W. W. Dake Defeated J. P. Bowman
in Finals of Rochester Country
Club Open Championship—Scores
Made in the Fall Handicap*

The honor of holding the Erickson Perkins cup for one year was an inducement that attracted a full quota of entries for the annual handicap, the principal golf event of the year with the members of the Rochester Country Club, which was played on the club links in Brighton yesterday afternoon. Though it was quite cold the weather conditions were very suitable to good golf and excellent scores were the result.

The Erickson Perkins cup was presented to the club nine years ago and it was coincidental that yesterday the donor himself should win it. It is one of the most highly prized trophies of the many that are competed for by the golfers every year. The winner is entitled to the possession of the cup for one year.

The victory of Mr. Perkins yesterday was well deserved; his playing was consistent and his gross score averaged well up among the best scores of the afternoon. W. W. Dake, besides winning the open championship of the club in his match with J. P. Bowman, also won the cup presented for the best gross score in the fall handicap. The score of the first round of eighteen holes of his match with Mr. Bowman, which was at thirty-six holes, was taken as the score for the handicap event.

In the finals for the open championship, the winner of which secures the Tamerac cup, Mr. Dake played in better form the first time over the course and at the end of the first eighteen holes he was four up. Mr. Bowman improved in the second round and gradually drew up on his opponent until at the thirty-fourth hole Mr. Dake was only one up. The latter, however, won the next hole in bogey figures, thus winning the match by two holes up and one to play. Mr. Bowman made the second round in one less stroke than did Mr. Dake. The detailed score of the match follows:

GENESEO MAN TO WED.

Engagement of Julian Gerard Buckley and Prominent Troy Girl Announced.

Special Dispatch to Democrat and Chronicle.

New York, Nov. 7.—Julian Gerard Buckley, of Geneseo, who was formerly attorney of the New York World, and a grandson of the founder of the firm of Bowers & Sands, the oldest law firm in New York, is engaged to be married to Miss Josephine Louise Gilbert, third daughter of the late Edward Granger Gilbert, of Troy, former president of the Gilbert Car Works, Troy. She is a niece of James Rankin Plum, treasurer of the Leather Trust.

Mrs. Gilbert, her mother, has taken a house in New York for the winter, and the marriage will take place, according to present arrangements, about Christmas time.

Buckley is a member of the Union Club, University Club, Harvard Club, New York Bar Association, New York Athletic Club, the Buffalo Club, of Buffalo, the Genesee Valley Club, of Rochester, and the Genesee Valley Hunt Club.

Country Club the Thing Now.

Going away Saturday for over Sunday is now extremely fashionable, and anybody who is anybody, hires himself or herself to some place for the week-end outing. Country clubs receive the majority of these fashionables though there are already many country houses that are open for the season. The country club, however, is just now taking the lead as it is quite the thing for several large parties to stop at the same place and plan to take their pleasures together. In driving, fishing, playing tennis, tramping through the woods or any of the other joys of country life, with a Saturday night and dance at the clubhouse.

All Quiet at the Country Club.

Claude F. Bragdon said yesterday that the new Country Club House has not as yet been hindered by a carpenters' strike as rumored. The carpenters are all at work and there has not been any attempt to force them to use non-union material. "If the strike of millers and painters should last till the material on hand gives out, the work would of course be hindered, but I do not apprehend that," said Mr. Bragdon.

DROVE RIG TO BUFFALO

Will Return in Passenger Coach at City's Expense.

A dispatch from Chief of Police Bull, of Buffalo, was received by Lieutenant Stein at police headquarters last night, announcing the arrest of two young men named Lester. The young men had confessed to hiring a rig from W. S. Lee, the liveryman, and driving it to Buffalo. They had tried to sell it there, when they were arrested.

Mr. Lee was surprised to learn when the lieutenant telephoned to him, that his horse and buggy were at Buffalo. Chief Cleary sent Detective Scanlan on the next train for Buffalo, to bring the two young men back, on a charge of grand larceny. Lee sent a man with him to drive back the rig.

Lee said that a young man called at his livery stable yesterday morning and said he wanted to drive to the Country Club in Brighton and would have company with him. The act of trying to sell the rig carries with it the intent to commit larceny. The two prisoners are 19 and 21 years old, respectively.

The following special dispatch to the Democrat and Chronicle tells of the arrest of the Lesters:

Buffalo, N. Y., June 12.—Warren Lester, 19 years old, and Harold Lester, 20 years old, of Rochester, were arrested here yesterday on the charge of grand larceny, the complainant being Walker Lee, a liveryman of Rochester. The boys, it is alleged, hired a horse and buggy of Lee yesterday and after driving to this city they tried to sell the rig for \$35. Captain Burfield, of the Fourth precinct, arrested the Lesters on suspicion, and they admitted the theft. They will be held to await the arrival of a Rochester officer.

Luncheon will be served on the lawn of the Country Club to-morrow afternoon, on the occasion of the golf tourney, when the members will play a qualifying round for the Friars' cup. The luncheon will be at 1 P.M.

Arrangements have been made to transport visitors to the club with comfort. Traps will connect with the Brighton cars, on the Park avenue line, leaving the Four Corners at 9:16 and 10:04 A. M., and 12:28, 2:02, 3:08, 4:12 and 5:36 P. M.

The following announcement of conditions to govern the tournament to be held to-morrow by the Oak Hill Golf Club has been issued by the greens committee. It is self-explanatory:

The object of this tournament is to determine each player's place in the classified list (as explained below), according to his score for the 18 holes. There will be a team of eight players, and four classes, A, B, C and D, and each class will be subdivided into three sections of four players each. The team will embrace the eight best scores. Class A will embrace the next twelve scores. Class B the next twelve, and class C the next twelve, and so on.

Players who fall to hand in scores on July 4th will be given the lowest places in the last class. This list will be posted on the bulletin board, and the places of the various players will be subject to challenge as follows: A player can challenge any player (hole play) in the next section above. For example, a player in Section 3, Class C, can challenge any player in Section 2, Class C; a player in Section 2, Class C, can challenge any player in Section 1, Class C, and a player in Section 1, Class C, can challenge any player in Section 3, Class B, and so on through all the sections and classes.

Challenges shall be posted on the challenge board, and the challenging player shall give due notice to his prospective opponent. The match must be played within seven days after such notice. If the challenged players lose the match, or fail to play at the time agreed upon, he shall forfeit his place to the challenging player (he taking the challenging player's place).

If the challenged player has a previous challenge, player must await results of that match.

No player need accept more than one challenge a week.

A match shall consist of eighteen holes, hole play.

All questions in dispute shall be referred to the captain of the team. His decision shall be final.

A prize will be given to the leader of each class.

Cards must be turned in on July 4th with the score of but one player to a card, same duly signed by his opponent.

The tournament will start at 10 A. M.

Luncheon will be served on the lawn early in the afternoon. Arrangements have been made for conveying the members of the clubs from the end of the Brighton car line to the links. Traps will connect with the cars on the Park avenue line (Brighton), leaving the Four Corners at 9:16 and 10:04 A. M. and 12:28, 2:02, 3:08, 4:12 and 5:36 P. M.

GOSSIP OF INTEREST IN GOLFING CIRCLES

Genesee Valley Club Will Ask for Admission to United States Golf Association--Tournaments to be Held at Genesee Valley Park and at the Country Club on Fourth of July.

The Fourth of July will be fittingly celebrated by local golfers, whether because of their patriotism or because of their devotion to the game is not known. Certain it is that in spite of what may be called the foreign and therefore unpatriotic origin of the game, it has come to be a great means of celebration on holidays, and Independence Day is no exception to the rest.

In addition to the tournament at the Oak Hill Country Club, there will be a qualification round at the Country Club, for the purpose of classifying players for play for the Friars' cup, and at Genesee Valley Park the members of that club will hold a handicap tournament, open to all.

A meeting of the Genesee Valley Golf Club was held last night in the Powers building. Important action was taken by the members, when it was voted to apply for admission to the United States Golf Association. It is understood that the action was nearly unanimous.

For some time, the players of this club have been considering the wisdom of remaining alone, as they are practically at present, and free from any union with an association which would give weight to whatever might be accomplished "on the green." It was argued that if the club was affiliated with a national association it would render more noteworthy the matches played under the auspices of the club either among the members themselves or with out-of-town teams.

Action will have to be taken by the United States Golf Association on the application for admission. It is probable that the club will be admitted without question, as a number of the players have made good scores, and the association is eager to take into its ranks all players of promise.

Several other routine matters having to do with the internal affairs of the club were discussed at the meeting.

The first qualifying round for those who are to compete for the Friars' cup, presented to the Country Club by the Friars' Club, will be played on the grounds of the former club Saturday. This round is usually played early in the spring, but owing to the loss of the clubhouse last winter and the delay in building the new one, it had been postponed. The sixteen players who make the best

scores will be selected to play off on the following Saturday at match play in semi-finals. This will be continued until a winner is declared.

It is not probable that many matches will be played by the Country Club teams with out-of-town teams, at least, not until next fall. The members feel that they ought not to undertake to entertain members of visiting teams at a hotel, and as they are unable to ask them to stay in a house which has no stairs or interior finishings, no teams have been asked to compete here.

The event of greatest interest, in which the Country Club members take part, is the match with the three other teams comprising the league of the Lower Lakes. Detroit, Cleveland and Buffalo are the three other cities in the league.

The league has been in existence four years, each city having taken its turn at entertaining the teams. The tournament this year will be held in Buffalo. Rochester has made a good record for herself in these tournaments, winning two out of the four that have been played. Detroit has also won two.

In addition to the team play there will also be a match for the individual championship. In this also Rochester has shown up well, furnishing a winner in Walter W. Powers two years ago.

The match for the title of open golf champion for the year, which was won Monday by "Willie" Anderson, of the Apawamis Club, playing against David Brown, of the Wollaston Club, was played in a downpour of rain on the Baltusrol links near Boston. Conditions were about as unfavorable as could be, yet neither of the contestants was willing to postpone the match.

The event was scheduled for 10 o'clock in the morning, but when that hour arrived it was raining heavily, and the committee in charge postponed the match until 1 o'clock. At 11 o'clock the weather cleared off and the men started out, only to be met with another storm before they had reached the third hole.

The pair met over a single round of the Baltusrol links to settle the tie of 307 which each had returned in the regular contest on Friday and Saturday of last week. Anderson, who tied with Alec Smith two years ago at Myopia and won the play-off, was a decided favorite all through.

This entitles him to the Dake challenge cup, which goes to the one making the best score in the qualifying round for the Friars' cup. The first round of match play is to be finished by Wednesday of this week, and the second round by Saturday, leaving the semi-finals and finals for next week.

There was close competition for prizes in the handicap match at South Park conducted by the Genesee Valley Golf Club yesterday. Two were tied for second place and had to draw, and the fifth prize was also split up. The prizes in all cases were orders on sporting goods houses for golf paraphernalia.

The greens were in fine condition, and all pronounced the day ideal for golf, the air being clear and very little wind being felt.

There were twenty-two entries. Four men received no allowance, and the highest handicap was fifteen. First prize was won by John Long, who made the lowest actual score, 92, receiving no handicap. Thomas Pierce and S. G. Cole were second and third respectively, after drawing lots to break a tie; G. L. Page was fourth, and the fifth was divided between C. V. K. Lansing and A. F. Perrin. POLO CLUB HAS MANY MATCHES IN PROSPECT

Rochester Team Will Meet Buffalo, Albany
and Toronto in Near Future—Players
are Enjoying Weekly Practice.

The Rochester Polo Club has a busy season before it, if the plans now maturing are carried out. Negotiations are practically completed for a number of games with the representative teams of this part of the United States and Canada. For these games hard practice contests are engaged in at the Rochester Country Club twice, and sometimes thrice a week.

A game with the Buffalo Country Club had been arranged for Saturday of this week, but the Buffalo organization will be unable to send a team on that date, so the game has been postponed and will be played later in the summer. A game has already been scheduled with the Albany Polo Club to take place in this city the latter part of the month. Arrangements are being made to play the strong Toronto team later in the summer. Return games will probably be played with all these organizations, and games with other teams are under consideration. All the local games will be played at the Rochester Country Club, the grounds being admirably suited to the sport.

It is the custom of the club to pick a team of four men before each match. J. S. Wadsworth is captain of the team, and the following are some of the more expert players: J. G. Averill, Samuel Wilder, Walter Howard, J. S. Watson, Luther Gordon, Eugene Brown, C. H. Stearns and Norman Van Voorhis.

The second round for the Friar's cup will be completed at the Rochester Country Club to-day. But one of the four matches remains to be played. This will narrow the competition down to four competitors, and the semi-finals will be played next week. In the round that will be completed to-day the players are paired as follows: F. E. The Country Club and the Freebooters to Contest at Polo To-Day.

Freebooters—J. S. Wadsworth, J. G. Averill, Walter Howard and George Milburn.

THE COUNTRY CLUB BEATEN

*Freebooters Exhibited Better Team
Work and Obtained the Victory—
Many Excellent Plays That Re-
sulted in Goals.*

The Country Club and the Freebooter polo teams battled for individual prize cups, presented by the Country Club, at the club grounds yesterday afternoon, and the latter won a decisive victory by a score of 12 goals to none.

That numbers do not count as much as team work was demonstrated in the game, for but three men played on the Freebooters, while the Country Club team was composed of four players. The former gave an excellent exhibition of team work, and made almost every stroke count, while the latter team was almost utterly lacking in team work, very often interfering with one another's strokes, and gave a very poor exhibition of hitting.

All three of the Freebooters played an excellent game. Averill made some beautiful goals, as did also Wadsworth, and Howard was not far behind. For the Country Club, Wilder played the best game, while Van Voorhis and Brown both did some good putting at times. As each player has but two ponies, the periods were limited to ten minutes, five tens being played. The first ten was well contested, the ball being kept moving up and down the field. After three minutes of play, Averill scored the first goal, which was the only one tallied in this ten.

The second period proved very disastrous for the Country Club. After one minute of hot exchanges, Averill scored the second goal and fifteen seconds later knocked another through the posts. Wadsworth then knocked one just inside, and repeated the performance a moment later at the other end of the field. Howard then took a hand at the goal getting and sent the ball squarely between the posts. When the ball was put in play again, with two strokes, Howard scored the sixth goal of the ten, and the seventh of the game.

the game.

In the third ten, Wadsworth and Averill each scored a goal. The Country Club seemed to play in hard luck, missing three chances at goal by a small margin. Two more goals were added in the fourth ten. Wadsworth scored soon after the opening of the period, and a short time later, Averill knocked a beautiful goal from a different position.

The Country Club braced up a trifle in the fifth ten, and for awhile it looked as if they would score, Van Voorhis knocking a pretty one that missed the goal post by a few feet. The Freebooters then secured the ball, and after a clever exhibition of team work Wadsworth sent it between the posts. Toward the end of the period, Smith made a good try for goal, but missed. The players:

Freebooters—1. J. S. Wadsworth; 2, J. G. Averill, captain; W. J. Howard.

Country Club—1, Norman Van Voorhis; 2, S. C. Smith; 3, E. Brown; 4, Samuel Wilder, captain.

Goals—Averill 5, Wadsworth 5, Howard 2; referee, John Cooney.

GOLFER WILLIE SMITH GOES TO ROCHESTER.

ROCHESTER, Sept. 1.—The Rochester Country Club has succeeded in securing the services of that well known professional golfer, Willie Smith. The club has been without a greenskeeper since early in the summer and for that reason, and for the further one that the contractor was unable to complete its new home, it has not figured as prominently in golfing circles as in previous years.

Now that Smith has been engaged and the clubhouse finished the Rochester Country Club has already begun to plan for tournaments and matches. There will be a handicap tournament on Labor Day and possibly a match may be arranged with either the Toronto or Buffalo golf clubs.

The Rochester Country Club was under the necessity of building a new home for its large membership this year as the former clubhouse was burned to the ground last winter. The work on it was started early in the spring, but when well on the way towards completion the strike of the carpenters prevented further operations. The strike having been settled the new house, which is a model of its kind, has just been completed, and the furnishers are now busily engaged in fitting it up. A new and commodious automobile house will have been completed in a fortnight.

Calgary Turned the Tables in Exhibition. Championship Game To-Day.

Special Dispatch to Democrat and Chronicle.

Toronto, Sept. 17.—Calgary turned the tables to-day on the Rochester Country Club team in an exhibition game by a score of 7 to 4. The game was not nearly as good as an exhibition as on Tuesday, and the American team seemed to be taking things easy for their game to-morrow in the finals of the tournament, when they meet Montreal.

For the first two periods to-day the play was even; then the Calgary team began to get the better of the argument. While the turf was somewhat slippery there were no accidents.

Wadsworth put up the best game of the day. The following are the teams and summary:

LEAGUE OF LOWER LAKES

*Detroit Won Cup for Third Time.
Rochester Golfers Made Excel-

Match With Buffalo Didn't Count.*

Special Dispatch to Democrat and Chronicle.

Buffalo, Sept. 17.—Detroit won the cup in the golf tournament of the League of the Lower Lakes. Detroit seems to be unbeatable. The league was organized five years ago and held its first tournament in this city. At that time, Rochester carried off the cup. The next year Detroit won a cup. Two years ago, Rochester was declared the winner, but last year Detroit got its winning streak again and this year makes the third time that it has won. Besides Detroit and Rochester, Cleveland and Buffalo have teams in the league.

The Rochester men showed up well in the morning game with Cleveland, but the Cleveland men worked as if they were out for the cup and defeated Rochester three up. The score in the Rochester-Cleveland game follows:

game follows:

J. Powers0	Ranney0
W. Will0	Stanley3
W. Powers1	Beckworth0

Cleveland won, three up.

Buffalo was beaten five up, but the home team has the consolation that it played in better luck than the Cleveland team, for Detroit, in the afternoon game, beat the Obions twelve up. It was a whitewash, so to speak, on Rochester. The score in the Buffalo-Detroit game follows:

McMillan7	Wright0
Russell0	Kneeland0
Carhardt0	Ransom1
Sweeney0	Patterson4
Cole5	L. Tyng0
Loomis0	Boyd2

In the afternoon the rain subsided, but the wind came up and made it equally disagreeable, and, as a consequence, poor golf weather, so that there was little opportunity for good scores. Cleveland's hopes of gaining the cup were soon scattered to the winds. The score follows:

Cleveland.	Holes up.	Detroit.	Holes up.
Beckworth0	McMillan1
King0	Sweeney1
Stanley0	Carhardt5
Ranney0	Russell2

Detroit won, twelve up.

Buffalo won its afternoon game, in which Rochester was the victim, by the score of two up. In the score, which follows, it will be noticed that there was a decided improvement in the scores of Ransom and Wright:

Buffalo won, two up.

The tournament will be continued at 9:30 o'clock to-morrow morning, when the first round of the Individual Championship will be played. At 10 o'clock, the first round of the Consolation will be played. At 2 o'clock will come the second round of the Individual Championship, and at 2:30 o'clock the second round of the Consolation. The semi-finals and finals will be played off Saturday. Driving, approaching and putting and foursome contests will be arranged by the committee in charge of the tournament.

*J. C. Powers the Only Rochester
Player to Reach Second Round.
League of the Lower Lakes Tour-
nament at Buffalo Ends To-day.*

Special Dispatch to Democrat and Chronicle.

Buffalo, N. Y., Sept. 18.—Buffalo stands one chance out of four of winning the cup in the individual championships in the tournament of the League of Lower Lakes, the semi-finals and finals of which will be played on the Country Club links to-morrow. The other three chances belong to the Detroit team, which won the team cup on Thursday.

Parke Wright is the man who will to-day try to get the cup for Buffalo. Detroit will be represented by McMillan, Carhart and Russell.

After playing down from a field of sixteen men, in which Cleveland, Rochester and Detroit were represented, these four were left to play the semi-finals and the finals, and the golf enthusiasts say that it is not a case of mere chance that these four are really the best players seen on the links during the present tournament. In the individual championships the following sixteen played:

Rochester—W. Will, J. C. Powers and W. W. Powers.

Detroit—McMillan, Carhart, Cole, Russell and Sweeney.

Cleveland—King, Staley, Ranney, Beckwith and Clay.

Buffalo—Paterson, Wright and Ransom.

In the first round McMillan, who is considered a crackerjack, played W. W. Will, of Rochester, and defeated him with 4 up and 2 to play. In the second round, McMillan again got a Rochester man, J. C. Powers. Powers had won in the first round from King, of Cleveland, by 7 up and 5 to play, but McMillan beat him 4 up and 3 to play. Wright played his first round with Ranney, of Cleveland, winning 3 up and 2 to play. Stanley, of Cleveland, after defeating Paterson, of Buffalo, 2 up and 1 to play, met Wright and also defeated by 3 up and 2 to play.

Russell, the fourth man left to play to-day, played W. W. Powers, of Rochester, in the first round. In the second round, he met Beckwith, of Cleveland. Russell won, 2 up. The scores in the individual championships follows:

FIRST ROUND.

W. Will against McMillan—McMillan won, 4 up and 2 to play.

King against J. C. Powers—Powers won, 7 up and 5 to play.

Stanley against Paterson—Stanley won, 2 up and 1 to play.

Ranney against Wright—Wright won, 3 up and 2 to play.

Sweeney against Ransom—Ransom won, 4 up and 2 to play.

Carhart against Cole—Carhart won, 1 up.

W. W. Powers against Russell—Russell won, 6 up and 5 to play.

Brekwith against Clay—Brekwith won, 3 up and 2 to play.

SECOND ROUND.

McMillan against J. C. Powers—McMillan won, 4 up and 3 to play.

Stanley against Wright—Wright won, 3 up and 1 to play.

Ransom against Carhart—Carhart won, 6 up and 4 to play.

Russell against Brekwith—Russell won, 2 up.

To-day McMillan will be pitted against Wright. McMillan is considered to be Detroit's best man and, in fact, the best man in the tournament; but Wright promises to hold his own against him. If Wright wins from McMillan he will have to play either Carhart or Russell.

The cities were represented as follows in the consolation:

Detroit—Loomis.

Buffalo—L. Tyng, Cady, Boyd, Hibbard, Calkins, Atwater, Gardner, Kneeland, Gaust and Glenny.

Cleveland—York.

Rochester—Palmer, Bowman, F. Will and Carnahan.

The matches in the consolation were long drawn out in some cases and no particularly brilliant plays were made. It resulted in four Buffalo men being left to play off the semi-finals and finals to-day. They are L. Tyng, Hibbard, Gardner and Kneeland. The knowing ones say that Kneeland will be the winner.

The matches between Hibbard and York were drawn out to nineteen holes; as was the match between Palmer and Carnahan. Hibbard and Palmer won one up. Hibbard and Palmer then played, Hibbard winning by four up and three to play. In Gardner's match against Calkins twenty holes were played, Gardner winning one up. The score in the consolation follows:

FIRST ROUND.

L. Tyng against Cady—Tyng won, five up and four to play.

Loomis against Boyd—Loomis won, 4 up and 2 to play.

York against Hibbard—Hibbard won, 1 up (nineteen holes).

Calkins against Atwater—Calkins won, 2 up and 1 to play.

Gardner against Bowman—Gardner won, 1 up (nineteen holes).

Kneeland against F. Will, Jr.—Kneeland won, 9 up and 8 to play.

Faust against Glenny—Faust won, 5 up and 4 to play.

SECOND ROUND.

Tyng against Loomis—Tyng won, 2 up.

Hibbard against Palmer—Hibbard won, 4 up and 3 to play.

Calkins against Gardner—Gardner won, 1 up (twenty holes).

Kneeland against Faust—Kneeland won, 3 up and 1 to play.

In the semi-finals to-day Kneeland will play against Gardner, and Hibbard against Tyng.

POLO MATCH TO-MORROW.

Calgary Team Will Play Rochester Four at Country Club—Public Invited.

In the endeavor to foster the game of polo as a sport in this city, the Rochester Polo Club issues a cordial invitation to the public to go out to the Country Club tomorrow afternoon and witness the match contest between the Calgary and Rochester teams. The game will start at 3:30 o'clock. Only a few Rochester gentlemen are now interested in the sport, but another year the Rochester Polo Club anticipates a decided boom in the game.

The Calgary team is from the Canadian Northwest. Three of its members are captains of different teams in that portion of Canada. During the tournament of the Toronto Hunt Club, the championship of which was won by the Rochester Polo Club, the Rochester team administered to the Calgary team the only defeat it has sustained in twenty-five years.

POLO MATCH AT COUNTRY CLUB

CALGARY VS. ROCHESTER
AT 3:30 O'CLOCK.

GOOD CONTEST EXPECTED

This Sport is Comparatively New in Rochester and in Order to Arouse Interest the Public is Cordially Invited—Other Matches Arranged

The Rochester Polo Club's four will have their hands full this afternoon on the Country Club course in trying to dispose of the Calgary polo team, of Northwest Canada. The visiting team is composed of the most expert polo players in Canada, who collectively have met defeat but once in twenty-five years, and then at the hands of the Rochester Polo Club, at Toronto, last week, in the tournament of the Toronto Hunt Club, the championship cup of which came to Rochester. Three members of the Calgary team are captains of different strong polo teams in the Canadian Northwest.

The members of the Calgary team, with over a score of the finest thoroughbred polo ponies ever brought together, in charge of a large staff of grooms and stable men, are in the city; they are the guests of the Rochester Polo Club and of the Rochester Country Club. All of the ponies used by the Calgary Club are bred by their owners, and their thoroughbred stock has been sold to the prominent members of the Meadowbrook Hunt and other leading polo clubs in and about New York and Philadelphia, and many ponies, as well, have been exported to England.

The members of the Calgary team are all Englishmen and they make their home in the Canadian Northwest, over 3,000 miles from Toronto. The Rochester team defeated them by a score of 8 to 6 at Toronto; however, the Calgary team was playing at a disadvantage, as the ponies had only just reached Toronto the preceding day after a tiresome journey of 3,000 miles on wheels. On Thursday, in an exhibition game, Calgary defeated Rochester by a score of 7 goals to 4. On Saturday, Calgary defeated East Canada, representing the best talent of Toronto and Montreal, 7 goals to 1.

The game this afternoon will be played on the excellent course of the Rochester Polo Club at the Country Club. It will start promptly at 3:30 o'clock. Polo as a sport has never had much of a following in this city, but the Rochester Polo Club intends to boom it and another year it anticipates a large addition to its membership roll.

In order to arouse interest in polo this afternoon's contest will be free to the public, which is cordially invited by the Rochester Polo Club. The Toronto Hunt Club charged admission to the tournament matches last week, and though under a heavy expense at the end of the week there was a balance credited to the club's treasury. The Rochester players were very enthusiastic over their reception and the sport enjoyed at Toronto, and next year the local club will probably give the first of a series of annual tournaments. The line-up of the two teams this afternoon will be:

Calgary—H. R. Middleton, No. 1; George Ross, No. 2; Hon. F. A. MacNaughton, No. 3; Addison Howe, No. 4.

Rochester—Norman Van Voorhis, No. 1; Samuel Wilder, No. 2; James G. Averell, No. 3; James S. Wadsworth, No. 4.

The Toronto and Buffalo Polo Clubs have accepted invitations extended by the Rochester Club and will play at the Country Club. The Toronto polo enthusiasts and their ponies will arrive on Wednesday, and games have been arranged with them for Thursday and Saturday of this week. It is possible that the Calgary team may be persuaded to remain over for a game on Wednesday, and may be induced to remain until the middle of next week.

By the foregoing paragraph it may be judged that already the Rochester Polo Club is realizing its efforts toward a polo tournament, the programme for which is complete when the fact is made known that on Monday and Wednesday of next week the Buffalo Polo Club will be at the Rochester Country Club for matches with the local four. It is quite possible that the Buffalo and Toronto clubs will play an exhibition match on Friday of this week or a week from to-morrow.

POLO IS EVIDENTLY TO BECOME A POPULAR SPORT

Another Large and Enthusiastic Crowd at Country Club Yesterday Afternoon---Toronto Hunt Club Players Here Next Week---Gymkhana Sports Will be Held on Polo Field Saturday.

The Rochester public seems to take to polo as a sport like a duck to water. Another good-sized crowd was at the Country Club yesterday afternoon to see two picked teams selected indiscriminately from the Calgary and Rochester teams play an interesting match. There were nearly as many traps of various kinds on the field as on the previous day, though the attraction was not so great.

The Country Club has done much in behalf of golf and polo and their efforts to make both sports more popular with the public have evidently succeeded. It is no strange sight to see a large gallery following some of the best players over the Country Club golf links, even in individual matches let alone in tournament cup play.

That polo is going to be popular is evidenced by the fact the two matches played Monday and yesterday were witnessed by at least twenty-five hundred people. Many of them were compelled to walk a mile and a half from the end of the Park avenue car line to the Country Club, and if they were at all inclined to grumble when they arrived on the field they soon became so interested in and enthusiastic over the play that they forgot those minor troubles.

The Country Club was at first fearful that polo might not meet a receptive public, but, now that it has, the club is already planning for a big polo tournament for next year, besides a number of special matches with various clubs. The club's polo team last week won the Toronto Hunt Club's trophy cup in a tournament that is international in nature and if the Canadian polo players intend to make a try at wresting it from the present holders they will have to come here to play for it.

It is announced that dates have been decided upon for the matches with the Toronto Hunt Club. The Canadians will play the Rochester team here on Monday and Wednesday of next week. Some time during the following week the Buffalo Polo Club will play two matches here.

On Saturday of this week, the Country Club will hold its gymkhana or "Indian" sports. These consist of a variety of events, the participants invariably mak-

ing use of a pony. Some of the contests originated with the Indians, who enjoyed them centuries before the white man landed on America's shores. The programme of these events is not yet quite complete and will be announced in these columns later in the week.

Yesterday's polo match at the Country Club proved very interesting. It had to be cut short as the visiting Calgary players, already preceded by Mr. Middleton, were obliged to leave early in order to catch an evening train. Two picked teams were selected, as follows:

Smith's team—Sibley Smith, No. 1; James S. Wadsworth, No. 2; James G. Averell, No. 3; Addison Hone, of Calgary, No. 4.

Howard's team—Walter J. Howard, No. 1; Hon. F. A. MacNaughton, of Calgary, No. 2; Samuel Wilder, No. 3; George Ross, of Calgary, No. 4.

John Cooney officiated as referee.

Owing to the hard game of the day before the ponies were not as "fit" as on the previous day, and several of the players were pretty sore; but withal it was a good match. Samuel Wilder distinguished himself in the opening period by making a difficult double-header shot, that is to say, repeating a stroke with the ball still bounding across the field, which drew a vigorous round of applause from the spectators. Averell figured prominently by reason of his excellent back hand strokes, which helped his side materially on the defensive. Ross made several pretty lifts and Hone's play was as excellent as on the preceding day. The summary follows:

FIRST PERIOD.

First goal—Howard's team; Wilder, 12 minutes.

SECOND AND THIRD PERIODS.

No goals.

FOURTH PERIOD.

Second goal—Smith's team; Wadsworth, 2 minutes.

Third goal—Smith's team; Wadsworth, 3 minutes.

Fourth goal—Smith's team; MacNaughton, 1 minute.

Fifth goal—Howard's team; Ross, 1½ minutes.

Final score—Smith's team, 3 goals; Howard's team, 2 goals.

After Wadsworth had scored a goal in the fourth period, Ross was obliged to withdraw, on account of the illness of his pony. Averell paired with him, and the teams continued on to the end of the period with three players on a side.

GYMKHANA SPORTS REplete WITH AMUSING INCIDENTS

The Kittens Couldn't be Persuaded to Run in the Animal Race at the Country Club---Miss Sibley Won the Event With a Chicken---Other Contests.

The Gymkhana sports of the Country Club, held yesterday afternoon on its polo field, furnished several amusing incidents and the fifteen hundred people who went thither were well repaid for their journey. There were over one hundred traps of various kinds inside the inclosure, as well as about fifty automobiles.

The first event on the programme was the spoon and egg race, in which the contestants were Norman Van Voorhis, James G. Averell, Sibley Smith, Dewitt Macomber and Walter Howard. Each man had a pony and a large spoon. He dismounted and with the spoon lifted an egg from the turf. The rider was obliged to remount and ride 200 yards, turn around a flag and return without dropping the egg. Mr. Wilder won the event, with Mr. Macomber a very close second. The other contestants had the misfortune to drop their eggs.

In the potato race, which was won by J. G. Averell, with Norman Van Voorhis second, each contestant was obliged to ride to a given point, dismount and pick up a potato from a pile, and mounting again, return and drop it into a basket. This was repeated three times.

The free-for-all animal race, with the young ladies as the contestants, was the mirth-provoking feature of the afternoon. The dog was the only animal barred. Miss Devine and Miss Smith entered with kittens. Miss Sibley and Miss Elizabeth Averell had chickens, and Miss Ruth Averella duck. Strings were attached to the animals, and the young ladies were supposed to drive.

The kittens, however, laid down in the grass, and the more their fair owners stroked them the more contented they were; and they absolutely declined to race. One of the hens and the duck went a short distance, and then balked. The young ladies "shooed" them on with no avail. Miss Sibley, with a white chicken, won the event.

The umbrella race was also a source of amusement. The gentlemen received a cigar, match and umbrella from a lady, he then mounted and puffing away at his cigar he had to raise the umbrella. Two or three of them, which were fancifully decorated with vari-colored streamers, turned inside out. Mr. Howard's pony took leave of his owner when the latter attempted to mount and he was out of the race. J. G. Averell was the winner and Samuel Wilder second.

In the polo race down the length of the field, each contestant driving a ball along as he proceeded, Norman Van Voorhis was the winner and Sibley Smith second.

After the sports had been concluded two picked teams of Country Club members played two periods. It was a sort of practice contest for the club's polo team in preparation for the approaching matches with the Toronto Hunt Club, which will probably be played on Tuesday and Thursday. In the first period there was no scoring. Messrs. Howard, Averill, Van Voorhis and Wilder were lined up against Messrs. Wadsworth, Smith and Watson. Mr. Wilder withdrew after the first period.

In the second, after four minutes of play, Averill stroked the ball between the goal posts for the only score made.

These gentlemen officiated in the Gymkhana games. Master of ceremonies, S. Vernam Fitz Simons; judges, James S. Watson and James S. Wadsworth.

TORONTO HUNT POLO TEAM PLAYS COUNTRY CLUB THIS AFTERNOON

Both are Very Evenly Matched and Should
be Able to Give a Good Account of
Themselves — Admission Free.

The Toronto Hunt Club polo team and ponies arrived in Rochester last night, and this afternoon at 3:30 o'clock, at the Rochester Country Club, in Brighton, there will be a match between the Toronto and Rochester teams. The visiting polo players came by boat from Toronto, and their ponies stood the voyage very well. None of the animals became seriously afflicted with mal de mer, and with the necessary grooming they will be in very good condition for this afternoon's contest.

The Toronto Hunt Club is represented by as good a polo team as there is across the lake, with the possible exception of the Calgary team, of Northwest Canada, which defeated the Country Club team here last Monday. The ability of the local team to hold its own against the visitors is unquestioned, the Rochester players having defeated all of their opponents, including the Calgary team, in the recent tournament given by the Toronto Hunt Club.

In following out its policy of fostering the sport of polo and in order to give it a strong hold on the public, the Rochester Country Club will throw open its gates, and everyone is welcome to witness this afternoon's match. The weather predictions are for more warmth in the atmosphere, and there will undoubtedly be the usual large turnout of stylish equipages, which has been one of the features attending the previous matches. The probable line-up of the teams to-day will be:

Toronto Hunt Club—Bickford, No. 1; Major Williams, No. 2; Webster, No. 3; Major Myers, No. 4.

Rochester Country Club—Norman Van Voorhis, No. 1; James S. Wadsworth, No. 2; Samuel Wilder, No. 3; James G. Averill, No. 4.

The match will begin promptly at 3:30 o'clock, and for the accommodation of the public the Rochester Country Club will have conveyances to meet the Park avenue (Brighton) cars leaving the Four Corners at 2:10 and 3:17 P. M. Conveyances will leave the Country Club in time to meet the car leaving Brighton at 6 P. M.

TORONTO HUNT WON POLO MATCH

COUNTRY CLUB TEAM GAVE
BIG HANDICAP.

VISITORS HAD GOOD START

*Before Local Players Settled Down to
Serious Work Before Them To-
ronto Obtained Good Lead—Play
Improved as Match Progressed*

After having received a big handicap from the Rochester Country Club's polo team, the Toronto Hunt virtually made a runaway match of it at the Country Club polo field, in Brighton, yesterday afternoon. In its personnel the Toronto Hunt had Captain Sweeney, who is said to have not long ago returned from the Soudan, where he played polo 200 days in one year, and who is now on leave from his regiment. It was principally through his strong rushes and generally expert play that the visitors were victorious.

Captain Sweeney was not a member of the Toronto Hunt in that club's recent cup tournament, which was won so handily by Rochester. When the visitors arrived on the field yesterday afternoon they declared that they could not expect to beat so strong a team as Rochester, and announced their belief that a handicap of three goals would about even up things.

To this proposition the local players demurred, but, after a short discussion, the Rochester team decided to compromise matters by substituting for Wadsworth or Averell a less experienced player. This was done at the suggestion, indeed at the request, of the visitors. The final outcome was that Wadsworth withdrew and Walter Howard was substituted in his stead. Howard played fine polo for the first three periods, but he is not a very experienced player and the strenuous work soon had its effect and he weakened.

In Captain Sweeney and Major Williams the Toronto Hunt has two of the most brilliant players ever seen on the local polo field. The former evidently has acquired to his play every imaginable trick and fancy stroke known with the mallet. His near, underside, reverse and cross strokes made the spectators gasp at times. He had two especially fine mounts and they obeyed his will in a somewhat startling manner. He is a thorough horseman and he handled his mount in a manner nothing short of remarkable. He was in the game at every stage and it was the dash and vim exhibited by him that kept the spectators' interest at the top notch at every stage of the one-sided match. Major Williams is almost as expert a player as Sweeney; Bickford is only fair, while yesterday Dr. Meyers did not create a very favorable impression. In the last half about all that the doctor did was to keep Howard company.

Samuel Wilder and James G. Averell fought against great odds, but they were in the game at every stage. Averell kept Major Williams hustling all the while, while Wilder several times outrode and outwitted Captain Sweeney in a most clever manner. In the first period Walter Howard did some very creditable work and his drives across field at the right time saved Rochester from being scored against.

In the third period brilliant work on the part of Wilder and Averell and Van Voorhis forced Toronto to play a safety, which gave Rochester a free try for goal, which was missed. In this period Wilder barely missed a goal by the ball carrying off a hummock. It was principally his good work that prevented Toronto from scoring another goal at this stage.

In the fourth period Van Voorhis, by a splendid series of drives and by a fine exhibition of riding, sent the ball nearly three-quarters the length of the field. In the fifth and sixth periods Averell and Wilder played so brilliantly that they were continually the recipients of applause from the paddock. Ill luck seemed to follow the home players throughout the match and many chances for goals were missed by only a few inches or by the ball accidentally striking an opponent's pony.

The Toronto Hunt plays here again tomorrow afternoon and then will be lined up against the regular Rochester team, which will leave nothing undone to avenge for yesterday's defeat against such odds. For this reason the match to-morrow will be doubly interesting. Following is the line-up in yesterday's match:

Toronto Hunt—Major V. A. S. Williams, No. 1; Captain H. Blekford, No. 2; Captain Sweeney, No. 3; Dr. D. C. Meyers, No. 4.

Country Club—Norman Van Voorhis, No. 1, Samuel Wilder, No. 2; James G. Averell, No. 3; Walter Howard, No. 4.

The officials were:

Referee, S. J. Macy; umpire, James S. Wadsworth.

Goal judges—East, E. R. Jennings; West, William C. Barry.

Timekeeper—S. Verman Fitz Simons.

Following is the summary:

FIRST PERIOD.

First goal—Toronto; Williams, 8 minutes.

Third goal—Toronto; Blekford, 1½ minutes.

THIRD PERIOD.

Fourth goal—Toronto; Blekford, 1½ minutes.

FOURTH PERIOD.

Fifth goal—Toronto; Blekford, 8 minutes.

Sixth goal—Rochester; Wilder, ¼ minute.

TO-DAY'S POLO MATCH.

Country Club Will Play Its Regular Team Against the Toronto Hunt Club.

The Toronto Hunt Club and Rochester Country Club polo teams will play the second of their matches on the Country Club's polo field, in Brighton, at 3:30 o'clock this afternoon. In Tuesday's contest the local players were obliged to give the visitors such a big handicap that they were outclassed.

However, this afternoon the Country Club will have its regular team in the game and thus the two clubs will meet on even terms. The teams will line up as follows:

Toronto Hunt—Major V. A. S. Williams, No. 1; Captain H. Bickford, No. 2; Captain Sweeney, No. 3; Dr. D. C. Meyers, No. 4.

Country Club—Norman Van Voorhis, No. 1; Samuel Wilder, No. 2; James G. Averell, No. 3; James S. Wadsworth, No. 4.

COUNTRY CLUB TO HAVE PLENTY OF GOLF

*Women's Handicap Tourney Begins
Next Week—Men Will Later Com-
pete for the Erickson Per-
kins and Tamerac Cups.
Professional Match.*

The Rochester Country Club has deferred its fall golf tournaments because of the interest aroused in the recent polo matches; but next week will be a busy one on the club links. Probably on Monday will begin the women's fall handicap in which it is expected there will be fully thirty-five entries. The contestants having the eight low scores in this play will qualify for the open tournament, though it is possible the number may be fixed at sixteen; all depending on the number competing.

The men's fall handicap will follow, and it is anticipated there will be over fifty entries. The winner of the handicap will be entitled to hold the Erickson Perkins cup. The thirty-two low scores will qualify for the men's open tournament, in which is offered the Tamerac cup. The winner of the men's open is as well entitled to the title of club champion for one year.

A match that will interest members of the Country Club and local golfers in general will be the one arranged between Professionals Smith, of the Rochester Country Club, and Chism, of the Oak Hill Country Club. The first of a series of the best two out of three 36-hole matches will probably be played on the Rochester Country Club links the latter part of next week. The next match will be played on the Oak Hill links.

DRAWN BATTLE IN POLO MATCH

TORONTO AND ROCHESTER
FIVE GOALS EACH.

WAS FULL OF INCIDENTS

*Major Williams so Badly Injured
That He Had to Retire for One
Period—Brilliant Playing Through-
out Though Field Was Slippery*

By far the best exhibition of polo ever given in this city was witnessed by less than a hundred people at the Rochester Country Club's polo field yesterday. Tuesday's match between the Toronto Hunt and Country Club teams shaded into significance, except, possibly, as to individual play, when compared with the one between the same teams yesterday. Many who saw the battle between Calgary and Rochester recently thought it would be hard to improve on that contest, but it was done yesterday and in right royal style.

Everything was against good polo; there was a continuous drizzle and an occasional heavy shower throughout the play; the sod was spongy and the grass carpet slippery, and the ponies tired rapidly as a result. Not for a moment during the afternoon did the sun put itself in evidence. It was a contest full of incidents.

Two of the visiting players met with severe injuries, notwithstanding which the Toronto Hunt succeeded in obtaining a drawn battle. It was so dark at the conclusion of the final period that it was with difficulty the players could be distinguished from the paddock. It is said that under the rules, though there was considerable difference anent this point, that the game should have been prolonged until one or the other of the teams had scored a goal. However, after their strenuous work all of the players were willing to abide by the decision of the referee.

From the time the gong was first sounded until the players rode off the field for the last time there was no lagging in the play. Within three minutes after the beginning of play brilliant strokes and daring riding by Van Voorhis and Averell forced the ball to Toronto's goal and the visitors had to resort to a safety. Rochester missed the goal on a free knock.

▲ FREE KNOCK.

After eight minutes Van Voorhis followed up by Wadsworth sent the ball to within a few yards of the goal, when the former's pony kicked the ball with his foot and it rolled between the posts. Van Voorhis was certain to make the goal in any event, as he had Wadsworth to guard his play. Fine drives by the entire team gave Rochester a second goal, Averell stroking the ball for the point.

In the second period a foul was allowed, but Toronto missed goal on a free knock. Superb rushing by Sweeney sent the ball near to Rochester's goal and Williams sent it through for the visitors' first point. Just after time had been called the players were in a scrimmage in midfield. There was constant hooking of mallets and in operating from one of the Rochester players a mallet flew up and struck Major Williamson under the left eye. Had it not been for the chapeau he wore he would probably have been seriously if not fatally injured. The period was here declared ended and the major assisted to a place where he could receive attention to his injury.

Williams was unable to play the third period and Wilder withdrew to pair him. Rushes by Sweeney and Bickford gave Toronto a goal in one and one-half minutes. Shortly after, Bickford was unhorsed, but was not injured. In the latter part of the period Van Voorhis gave a fine exhibition of riding and he had Sweeney guessing all the time. Two minutes from the end Wadsworth, following up Van Voorhis's pretty drive, stroked the ball home. Half a minute later Sweeney rushed the ball down the field for a goal, and at the end of the first half the score stood three goals each.

Williams and Wilder were back in the game in the fourth period. Soon after play began Major Williams, who was evidently still dazed, was unhorsed. His pony at once ambled off towards the club stables and he had to secure a new mount. Sweeney was unhorsed a minute later while riding at great speed. He injured his shoulder severely, but continued in the game. After 9½ minutes Wadsworth made a goal.

Sweeney scored for Toronto after two minutes of play in the fifth period. Directly afterwards Averell stroked the ball out from the bunch in midfield and with three drives sent the ball to Toronto's goal. The ball struck a stone and carrommed off and went to the wrong side of the pole. Later he succeeded in scoring a goal by a pretty loft between the posts. At the end of 11½ minutes of play Sweeney scored for Toronto, tying up the game at five goals each.

It was rapidly darkening and no intermission was therefore taken. The Rochester players were on the aggressive and for the greater part of the ten minutes kept the ball dangerously near Toronto's goal. At no time in this period was the ball in Rochester's territory. The growing darkness prevented the players from accurately stroking the ball and for that reason at least two goals were missed by Rochester. A second after the referee had blown his whistle signifying the contest to be at an end Wadsworth drove the ball between the posts. The point was not allowed.

The Buffalo Polo Club comes here tomorrow for a game with Rochester. It will be played at the usual hour and admission will be free. A game will also be played on Monday. The line-up yesterday was:

A. S. Harrington Won
the G. V. P. Cup.*

The play in the woman's fall handicap tournament of the Rochester Country Club, on the club links yesterday afternoon, proved very interesting to a large gallery which followed the players over the course. The lady's bogey for the course is 90, and Miss Henrietta Allen and Mrs. Ogden Backus each covered the course in 95 strokes; in other words, being 5 down to bogey. The tie between them for the handicap cup will be played off later in the week.

The ladies entered in the woman's open championship of the club, the play in which begins to-day, have been paired as follows, the drawings having been made yesterday afternoon at the conclusion of play in the handicap tournament:

Miss Elizabeth Averell to play Mrs. Walter Smith.

Miss Henrietta Allen to play Mrs. Gilman H. Perkins.

Mrs. Ogden Backus drew a bye.

Mrs. Dr. Mulligan drew a bye.

The men's fall handicap tournament begins next Saturday.

QUALIFYING ROUND AT ROCHESTER COUNTRY CLUB

*W. W. Dake Won Cup for Lowest
Score, Being Within Four Strokes
of Bogey—B. C. Little Was
Runner Up—Drawings
for First Round.*

The qualifying round for the men's open championship was played on the Rochester Country Club's links, in Brighton, yesterday morning and afternoon. Considering the weather conditions that prevailed, good average golf was the order of the day. W. W. Dake secured possession of the cup offered for the best gross score by going over the course in 76 strokes, or within four strokes of the men's bogey. Beekman C. Little, who did the course in 80, was runner-up to Mr. Dake.

The women's matches were not played as it rained incessantly throughout the day. Consequently the match between Mrs. Ogden Backus and Miss Henrietta Allen, who are to play off the tie that resulted in the woman's fall handicap, and the one between Mrs. Ogden Backus and Miss Elizabeth Averill in the finals of the women's open championship, have been postponed until the forepart of the week.

Following were the sixteen low scores made in the men's open championship qualifying round:

SECOND ROUND FINISHED.

Rochester Country Club's Open Championship Down to Semi-Finals.

During the afternoon G. A. Carnahan and Frederick Will, Jr., played the fourth match in the second round of the Rochester Country Club's open championship. Carnahan was the winner by two holes up. The complete results in the second round were:

W. W. Dake beat W. J. Curtis 3 up and 1 to play.
J. P. Bowman beat Josiah Anstice 4 up and 3 to play.

MISS AVERELL WON THE WOMAN'S CHAMPIONSHIP

Was Victorious Over Mrs. Dr. Backus by
Score of Two Up in Eighteen Holes
at Rochester Country Club.

The finals in the woman's open championship of the Rochester Country Club were played yesterday afternoon on the club links in Brighton. The result was a victory for Miss Elizabeth Averell over Mrs. Ogden Backus by 2 up in eighteen holes. Both ladies played excellent golf, and at no time during the match did one hold a very decided advantage over the other.

Though there was a chilly wind in evidence the weather conditions were otherwise favorable to good golf. A large gallery, composed mainly of the lady members of the club, followed the players over the course. Miss Averell obtains possession of the prize cup and the title of open woman champion of the club; Mrs. Dr. Backus, as runner-up, was also the recipient of a trophy cup.

GOLFER WILLIE SMITH GOES TO ROCHESTER.

ROCHESTER, Sept. 1.—The Rochester Country Club has succeeded in securing the services of that well known professional golfer, Willie Smith. The club has been without a greenskeeper since early in the summer and for that reason, and for the further one that the contractor was unable to complete its new home, it has not figured as prominently in golfing circles as in previous years.

Now that Smith has been engaged and the clubhouse finished the Rochester Country Club has already begun to plan for tournaments and matches. There will be a handicap tournament on Labor Day and possibly a match may be arranged with either the Toronto or Buffalo golf clubs.

The Rochester Country Club was under the necessity of building a new home for its large membership this year as the former clubhouse was burned to the ground last winter. The work on it was started early in the spring, but when well on the way towards completion the strike of the carpenters prevented further operations. The strike having been settled the new house, which is a model of its kind, has just been completed, and the furnishers are now busily engaged in fitting it up. A new and commodious automobile house will have been completed in a fortnight.

WILLIE SMITH, THE NOTED PROFESSIONAL AT COUNTRY CLUB

Local Golfers Exceptionally Fortunate in
Securing His Services—Clubhouse is
Finished and is Being Furnished.

The Rochester Country Club has very fortunately succeeded in securing the services of that well known professional golfer, Willie Smith. The club has been without a greenskeeper since early in the summer and for that reason, and for the further one that the contractor was unable to complete its new home, it has not figured as prominently in golfing circles as in previous years.

Now that Smith has been engaged and the clubhouse finished the Rochester Country Club has already begun to plan for tournaments and matches. There will be a handicap tournament on Labor Day and possibly a match may be arranged with either the Toronto or Buffalo golf clubs.

The new professional, Smith, is said to be exceedingly clever in teaching the game to the uninitiated and, as one of the members of the club said yesterday, "He's a club builder;" that is to say, he makes golfers and quickens their interest and enthusiasm in tournament and match play.

Smith was formerly the champion of the United States. He was at one time the professional connected with the Shinnecock Golf Club and afterwards was for four years connected in a like capacity with the Midlothian Golf Club, of Chicago. For the past two years he has been giving exhibitions of his skill in different Western cities, accepting engagements of varying length with local clubs.

The work on it was started early in the spring but when well on the way towards completion the strike of the carpenters prevented further operations. GOSSIP OF INTEREST TO LOCAL GOLFERS

There Will be Handicap Tournaments at Rochester
Country Club and Genesee Valley Park on Labor
Day---Will Smith Will Try for New Records.

Local golfers will be kept busy on Labor Day following out the programmes of the several clubs. At the Rochester Country Club it is expected that there will be a large number of competitors in its handicap tournament on the afternoon of that day, and the gallery following the players over the course will probably be a big one, as it is announced that Willie Smith, the club's new professional, intends to try to reduce the record for the course, which is 68.

The handicap tournament will have a novel feature attached to it in the matter of the award of prizes. First, second and third prizes and a further prize for the best gross score will be given. The play for the afternoon will be match play against bogey. The prize winners will be the three having the greatest number of holes up on Colonel Bogey at the end of the round.

Each member of the club entering will pay an entrance fee of one golf ball. The prize winners will receive these golf balls, as in

sweepstakes, in the proportion as they finish.
After the tournament is over, at 4 o'clock,
Will Smith will go over the course in the
attempt at the course record. He will have
for his competitors the two members mak-
ing the lowest scores in the tournament.

BREWSTER WON HANDICAP.

Finished 5 Up on Bogey in Tourney at Country Club—Smith Finished in 68.

Ideal golfing conditions existed yesterday, and as a result an unusually large number of enthusiasts availed themselves of the fact that it was a holiday to participate in their favorite sport.

At the Country Club more than forty, the largest number that has been on the links this year, took part in the handicap tournament that was held on the links during the afternoon. Match play was the style employed, and the bogey was placed at 73. Although more than forty entered in the tourney, only about twenty handed in their scores, many of which were excellent.

The tourney was won by S. E. Brewster, who had both the lowest gross score, which was 79, and the lowest score after the handicap had been deducted. His handicap was 13, and he finished 5 up on Colonel Bogey. W. E. Hoyt finished second, being 2 up on bogey, with a handicap of 23. F. P. Allen, L. L. Allen, Messrs. Beach and Du Puy tied for third, finishing even with bogey, with handicaps of 15, 14, 20 and 6, respectively.

Several of the members of the club had very good scores, but their handicaps being low, did not finish very high up after they had been deducted. Among these were W. W. Powers, whose actual score was 80; W. Lee, J. P. Bowman and J. M. Ingersoll, who went over the course in 82, and J. C. Powers, Walter Will and F. B. Allen, who finished in 84. Following is the result after the handicap has been deducted:

Player.	Handicap.	Finished.

After the handicap tournament, William Smith, the new professional, accompanied by W. W. Powers and Walter Will, went over the course in an exhibition round, endeavoring to lower the course record of 68, made by the former professional, A. Ricketts, and equaled by himself a few days ago.

Although unsuccessful in lowering the record, Smith again equaled it, going over the course in 68, and giving a beautiful exhibition of steady golf playing. Powers and Will also played good golf, covering the 18 holes in 75 and 77, respectively, and repeatedly halving, and several times winning holes from Smith. Will holds the record for club members, having covered the course in 69. Following are the results by holes:
